Issue 149 Friday 10th October 2025

Nurture Class - Maths

In Maths, Nurture have been looking at full and empty. We had a pretend tea party where we filled our plates with food and then made them empty. We discussed the difference between full and empty.

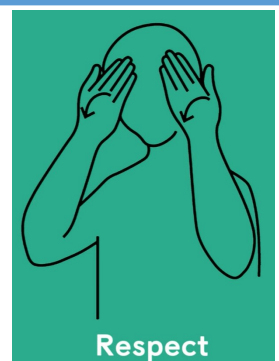

Autumn in Ash Class

It is Autumn in Ash class and we have been looking at the story That's not my hedgehog and exploring lots of Autumnal activities. Ash class have enjoyed the orange rice, conkers and huge cones in our sensory tray. We have been creating leaf hedgehogs in Art and explored which Autumn objects float and sink in the water. We have also explored our outdoor area in an Autumn walk looking for coloured leaves and other autumn objects.

This weeks sign of the week is 'Respect'. For more information about Makaton, videos and signs of the week please visit:

KS3 English

8/9D have been reading Journey to Jo'burg; the characters in the novel came across some orange trees upon their journey and were able to pick and eat fresh oranges. The class joined in the experience by using their senses to develop descriptive adjectives to describe the experience. This has enabled the students to begin their creative writing studies.

Learning Outside the Classroom

As part of our work in Forest Schools this term, we have been looking at habitats and hibernation. We have looked at which animals hibernate and how. Nurture then took their woodland animals into the outdoor areas and practised miniature den building.

Year 7 Science

Students in year 7J were exploring different science equipment and their uses.

Café Sixth Form

Hot Dog Special

Café sixth form special next Friday will be Hot Dogs. The usual choice of paninis and hot drinks will also be available. Money and orders will be taken outside the sixth form room during Friday registration.
