Autumn Activities in Acorn

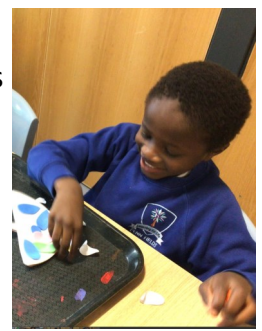

Acorn class have been reading Room on the Broom and taking part in seasonal activities such as pumpkin painting.

Diwali in Garden

Garden Class experienced Diwali by creating Rangoli patterns from coloured rice and in foam and glitter. They used foam shapes and folded paper plates to make Diva lamp cards.

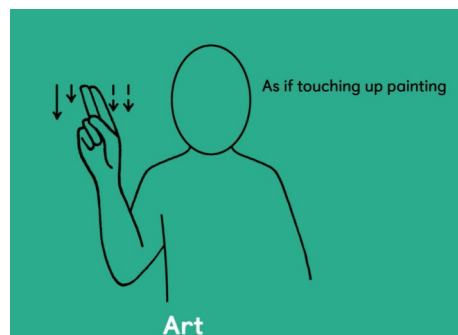

Happy Diwali to everyone who celebrates!

This weeks sign of the week is **Art**.

Author Visit

On Monday, 20th December, some children from our school went on a super exciting trip to the Grand Station in Wolverhampton to meet the one and only David Walliams! To everyone's surprise, he appeared dressed as a giant elf! He told funny stories, answered lots of questions and made everyone laugh from start to finish. The best part? Every single child got their very own signed copy of his brand-new book, *Santa and Son*, to take home.

Animation Workshop

Sixth form students participated in a workshop run by the National Film and Television School. The workshops focused on animation and after watching videos, students made a character of their choice out of clay. They also learnt about the careers and opportunities available to them within this sector.
