Duke of Edinburgh's Award

Last week many of the Sixth Form students were involved in a Silver Award expedition. For most it was a practice expedition but for six students - Maggie, Sarbjot, Hayden, Eve, Sebastian and Jasdeep it was their final assessed expedition. They worked well together as a team showing determination and resilience, walking for 3 days and camping for 2 nights, a real challenge especially when the weather was so hot. They have now successfully completed every section of the Silver Award. Lewis and John completed their Bronze expedition and can now be presented with the Bronze Award. A real achievement for everyone involved, they should all be very proud.

LIMITS**

We're Going on a Bear Hunt!

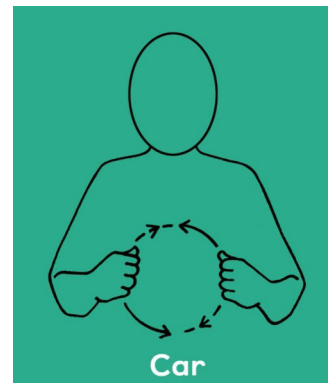

Ash class are learning about the story Going on a Bear Hunt by Julia Donaldson. We have been focussing on the core words over and under. The students have been exploring lots of materials from the story like mud, grass, water and ice which helped to keep us cool this week! We also had great fun at the swimming gala.

This weeks sign of the week is **Car**.
