POST 16 – NEXT STEPS

PF6

Preparation for Adulthood

Employment

Independent
Living

Community
Inclusion

Health

Why?

- 1. Proven model. Supports students needs during the transition from year 11 towards college environment**
- 2. To improve young peoples independence and preparation for adulthood**
- 3. To offer an appropriate and good quality progression route for our learners**
- 4. 30 hours of learning 5 days each week. 3 days at school. 2 days at college**
- 5. All the time being supported by Penn Fields School**

Ensuring Quality Education

- Originally modeled from outstanding sixth form school
- Now in our third year. All leavers have gone to positive destinations
- Curriculum programs are developed as a partnership for individual learners
- Quality Assurance visits each term
- Reports of personal and academic progress each term
- Students achieve additional vocational qualifications
