

Wolverhampton Local Offer

The Wolverhampton Special Educational Needs and Disability (SEND) local offer provides information in a single place for children and young people with and their parents or carers.

Provision is available, within Wolverhampton Libraries & Community Hubs as well as City of Wolverhampton Council Civic Centre, to support access to the Local Offer.

The Council for Disabled Children (CDC) in partnership with the Department for Education has produced a series of fact sheets, films and posters designed to help children and young people understand some of the key themes of the new SEND reforms, including a Parent's Guide to the Local Offer. Here you will find Information from the Dept for Education.

The Children and Families Act 2014 requires each Local Authority to produce and publish a Local Offer which sets out in one place information about provision available across education, health and social care for children and young people in the area who have special educational needs or are disabled. Further information about the requirements of the Local Offer can be found in Chapter 4 of the pdf icon SEND Code of Practice - January 2015.

You can find information on what services children, young people and their families can expect from a range of local agencies including:

- Special educational provision
- Health provision
- Social care provision
