## Wonderful Willow

Willow have had some very special visitors to their class! The children were able to hold, stroke and help care for pet guinea pigs as part of their pet themed activities.

## Enterprise Challenge Update

During the autumn term upper school students made cones for sale. They raised a huge £295.60. This money along with money raised previously is going towards making sensory boxes for use by the students in school. We are going to make 10 boxes containing a range of sensory/ fidget toys.

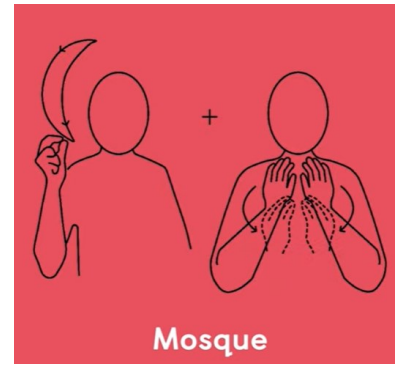

Here is a small selection of the items voted by the students to go into the sensory boxes.
