Issue 148 Friday 3rd October 2025

Mr Twit's Beard

7B created a collage of Mr Twit's beard, filled with all sorts of disgusting things! We worked together and collaborated as a class. In our next lesson, we'll use our collages to write sentences about Mr Twit.

The Human Alphabet

In English we have used our bodies to make letters of the alphabet. We worked together showing our core value 'co-operation'.

Phonics

Elm have started our phonics off this year with an Autumn themed sensory tray. The children loved exploring the conkers and big pine cones while reinforcing different set 1 sounds.

Learning Outside the Classroom

KS4 Creative Arts - Printmaking

Key stage 4 have been using the allotment as inspiration for their printmaking work. Students are exploring the idea of 'Connection' and creating visual records to support their art-work. Their completed prints will be exhibited as part of our 'Penn Fest' event at the Wolverhampton Arts Centre in June next year.

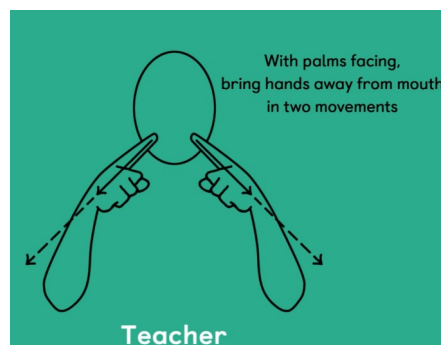

KS3 Art - Landscapes

Students in Year 8/9 have been learning about Landscapes in art. They have been learning the formal elements of line, shape, pattern, tone and texture by creating their own versions of Van Gogh's Starry Night.

This weeks sign of the week is **Teacher**.
