Hello from Ms Callaghan

I am a Senior Leader at Penn Fields School with responsibility for all things safeguarding and welfare. I ensure good student attendance whilst promoting an atmosphere where students feel healthy, safe and happy. I am responsible for liaising and working alongside external agencies, professionals and most importantly parents. Please see our safeguarding Tab on the school website for further information.

Update on School Dinners

Recently I became responsible for student meals and lunch time activities. During Covid-19 we have had to adapt the way we work in order to keep all of our school community safe. Each day students have a choice 6 different meal deals which includes both a hot and cold option. These are served to each class bubble in their very own 'meal deal' bag. For lunchtimes we have split the school into the three, KS1 & 2, KS3 and KS4 & 6 form. This has allowed us to ensure that whilst one Key Stage is eating, another Key Stage can enjoy some fresh air. All students are allocated a safe space in our grounds, ensuring they remain in their class bubble and do not mix.

Please feel free to request a copy of the school lunch menu from Mrs Nelson in the
