

We really love working with local and national employers and believe in providing employer encounter opportunities for students We welcome your support in achieving this goal.

You can support our students in number of ways such as:

- providing work experience placements, work shadowing and work visits
- taking part in encounter events, such as 'I Love My Job' events, speed networking, interactive careers fairs and sector tasters
- career talks
- enterprise activities

If you would like to support our school and students, please contact hjarman@pennfields.com - Careers Leader.
