Kingswood Residential

Oak class had a lovely time on their residential at Kingswood. They made clay animals, journey sticks, forest pictures and even made their own beds! All children were very well behaved and a credit to Penn Fields.

Enterprise Task

All students in key stage 3 and 5 will be taking part in an enterprise task the first week after half term. All classes will be making an item to sell later in the school year.

To help support students in 9L with their chosen task, could you please send in any empty jam jars (with lids) that you no longer need.

Thank you for your support,

The Maths Department

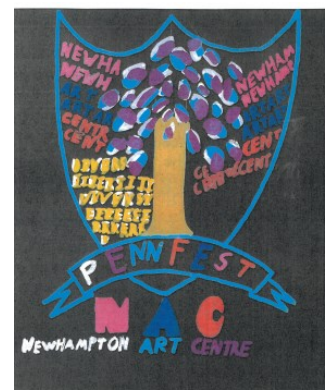

Penn Fest Logo Winner!

Congratulations and a very well done to Umardev in 4H for his winning Penn Fest Logo design. This is the second year Umardev has designed the Penn Fest Logo which was voted for by students as part of Smart School Council. Umardev's design will be used to advertise the Penn Fest event which will run from Monday 12th June until Friday 16th June. The logo will be used on the flyers, staff lanyards and on t-shirts at the event.

All are welcome to the Penn Fest evening event on Friday 16th June from 5.30-7.30pm. There will be an exhibition of artwork by KS4 students, workshops where you can make & take a creation and enjoy a light refreshment. Entry is free. We look forward to seeing you there!

Umardev's design was inspired by the techniques he has learnt during his Graphic Design course and from working with local Artist, Steve 'Graffoflarge' Edwards.

The Safeguarding Team

Wolverhampton's 'The Household Support Fund' was created to help those in need. If, as a family, you are struggling with the cost of living, please use the below to seek out if you can get financial support.
